During the evening of July 10th at approximately 11:15pm, four unknown suspects entered a Bush Court home through the open garage door. The suspects held three family members and two friends of family members at gun point. The victims were bound and had their eyes and mouth's covered. The suspects left a short time later with various amounts of jewelry and cash along with a small safe.

The victims untied themselves shortly after the suspects left and contacted the police. Members of the West Windsor Police Department along with a Lawrence Police Department K-9 immediately searched the scene and surrounding areas for the suspects but met with negative results.
